Re: Revisions to Cable Television Rate Regulations; MB Docket No. 02-144, MM Docket No. 92-266, MM Docket No. 93-215, CS Docket No. 94-28, CS Docket No. 96-157

Dear Ms. Dortch,

On April 19, 2018, Jordan Goldstein and Jim Coltharp (Comcast Corp.), Maureen O'Connell (Charter Communications), Steve Horvitz (David Wright Tremaine) and I met with the following Media Bureau staff: Michelle Carey, Mary Beth Murphy, Nancy Murphy, Martha Heller, Katie Costello, and Brendan Murray.

Consistent with NCTA's written comments in the above-captioned proceeding, we discussed basic service tier rate regulation, and we suggested that the Commission explore whether there are ways to simplify and update the rate regulation process given the passage of time since the Commission first established its benchmark rate rules. We also discussed the impact of Congress' 1996 deregulation of the cable programming service tier on outstanding FCC rate rules, including those relating to regulation of equipment rates.

Respectfully submitted,

/s/ Diane Burstein
